

Kiteboarding Australia Accredited School Application

There is a simple 4 step process to become a Kiteboarding Australia School.

1. Prepare your documentation. You will need:

- To complete the below form and upload all necessary documents (including your risk management plan and standard operating procedure) ([templates can be found here - scroll to the bottom of page](#))
- Terms and Conditions signed by the School Director ([Download here](#))

2. Receive confirmation from KA of acceptance of documentation

We may ask some questions about your documentation and school during this risk review process. This will occur within 14 business days of receiving your completed documentation.

*In the event your school cannot meet the minimum requirements, we will refund the deposit.

3. Pay your membership fee

4. Receive the accreditation certificate from KA & receive your certificate of currency (if selecting insurance)

This can take a few weeks to process depending on the time of year, for quickest turn around start your documentation today! After you are a KA School Member, we will support you as your school and business grow. Don't forget you will need to attend a Conversion Course (if not previously attended) for existing staff within 6 months of becoming a member.

We can work with you to organise a conversion course at your school or at a location nearby. If you have a group of instructors that need to attend, we can offer a bulk discount, get in touch to find out more today. All overseas qualified instructors will have a 3 month grace period in which to qualify under the Australian system.

Instructor course dates will be made available on the Kiteboarding Australia events page [here](#).

School Contact Details

1. Primary Contact Person

2. Email

3. Website

4. Mailing Address

5. Telephone

6. School Business Name

7. School Trading Name

8. ABN

9. ACN (If Held)

Size of Your School

10. Where is the school base located?

11. What is the schools capacity in terms of students on a given day?

12. How long has the provider been operating?

13. How many students are taught in the school during a 12 month period (approx)?

14. What is the annual turnover (required for insurance coverage) (approx.)?

15. Are any other activities run by the provider (eg Windsurfing, SUP, Kayaking, Powerboating, Yoga etc)?

16. What time of year does the school teach?

A: Staffing

17. Has your school previously been following another curriculum?

18. Have any of your instructors attended a KA ITC or Conversion Course?

19. If not, when would be most suitable to have your instructors attend that course (within 6 months of becoming a KA School Member)?

20. How many instructors are actively teaching at your school?

21. How many instructors does the school employ (break down by full, permanent part-time and casual)?

22. What are the annual hours taught by your school? (You could calculate this by determining average per month, or from wages paid to instructors)

23. What are the typical instructor:student ratios at your school?

24. Does your council limit the number of instructors teaching at your location? If not, what is the maximum number you think can safely teach in that location?

25. Do all members of staff have an induction period? Please describe and attach any relevant materials.

Safety Management Systems (If you would find it easier, you can email these documents to contact@kiteboardingaus.com.au) If you need template documents they can be downloaded here - <https://www.kiteboardingaus.com.au/instructors/become-an-affiliated-school/>
